

Introducing Myself

Hello! My name is Aisha Khan. I am from Pakistan, but now I live in London, UK. I am 32 years old. I am married, and my husband's name is Ahmed. We have two children—a son and a daughter. My son is 4 years old, and my daughter is 6 years old.

I speak Urdu and a little English. I am learning English because I want to improve my communication skills. I also want to help my children with their schoolwork and find a good job in the future.

In my free time, I enjoy cooking traditional Pakistani food, watching movies, and going for walks in the park. I also like meeting new people and making friends.

Write short answers.
