

## Kitchen Tools

### Reading comprehension

Amira is in her kitchen. She wants to make a cake and cook some vegetables.

First, she uses a saucepan to boil the carrots. The saucepan is on the cooker. Then, she uses a peeler to peel some potatoes. The peeler is small and easy to use.

Next, Amira takes a rolling pin and rolls out the dough to make chapatis. Finally, she uses a whisk to mix eggs and sugar for the cake. She loves cooking with her kitchen tools!
