

TIME: Quarter Past and Quarter To

1. Read the passage:

John is a student. Every morning, he gets ready and leaves his house at quarter past 8. He walks to school with his friend. It takes 30 minutes to get to school. His class starts at a quarter to 9. He enjoys his lessons and plays with his friends during break time. At quarter past 12, he eats lunch in the school canteen. After lunch, he has more lessons. At a quarter to 4, the school day ends, and John goes home to do his homework.

Answer the questions:

1. What time does John leave his house? _____
2. How does he go to school? _____
3. What time does his class start? _____
4. Where does he eat lunch? _____
5. What time does he go home? _____
